Water Removal

Refrigerated Dryers

Series IDFB

SMC dryers are insurance for down stream pneumatic components to facilitate long term sustainable car wash operation

- Environmentally friendly R134a/R407C refrigerant
- Simple control system, incorporating easy to read evaporator gauge
- Stainless steel heat exchangers providing long life and low pressure drop
- Compact design with staggered inlet/outlet ports for ease of installation
- 3/8" push-in condensate drain port

Maximize the life of cylinders & valves to minimize downtime for continuous operation
